

CURRICULUM VITAE

謝發坤 Fa-Kuen Shieh

Department of Chemistry, College of Science
National Central University (NCU)
Professor in Department of Chemistry
Lab Website <http://shiehflab.wix.com/home>

Phone: (03) 425-3716
Lab: (03) 422-7151 ex.65948
E-mail: fshieh@ncu.edu.tw

Education

- 2002-2007 Ph.D. in Chemistry/Biochemistry, University of California at Santa Barbara (UCSB)
Advisor: Professor Norbert Reich.
- 2001-2002 Forensic Science Ph.D. training program, University of Alabama, Birmingham
Advisor: Professor Ray Liu
- 1994-1996 M.S. in Bio-Analytical Chemistry from the Institution of Biological Science and Technology, National Chiao-Tung University, Taiwan.
Professor Allen C. Chang
- 1990-1994 B.S. in Biochemistry from the Department of Applied Chemistry, National Chiao-Tung University, Taiwan

Experience

- 2018-2020 Associate Dean of the College of Science
- 2018/08- Professor of Chemistry, National Central University, Taiwan
- 2008-2014 Associate Professor of Chemistry, National Central University, Taiwan
- 2007-2008 Post-Doctoral Fellow University of California at Los Angeles (UCLA)
- 2007 Post-Doctoral Fellow University of California at Santa Barbara (UCSB)

Honors

- Outstanding Research Award, NCU, 2018-2020
 - Excellent Paper Award-Science College 2017, NCU, 2014-2020
 - 2-year MOST Grant for Excellent Young Scholar, Aug. 2016 - July 2018
 - Excellent Paper Award-Science College 2014-17, National Central University
 - Outstanding Teaching Award-Science College 2011, National Central University
-
