

2021 CTCI Foundation Science and Technology Scholarship Application Information

I. Inception

CTCI Foundation was established on October 12, 1959. As a pioneer of new technologies, CTCI Foundation commits itself to developing technological talents for Taiwan and thereby facilitates Taiwan's economic development and assists Taiwan's manufacturing industries to upgrade their productivity. In 1962, the Engineering Education Research Fund was established to award scholarships to distinguished undergraduate and graduate students. CTCI Foundation also held social welfare activities such as academic lectures and scientific seminars. Until 2020, the scholarships had been awarded to nearly 4,000 students, and more than NT\$ 10 million/year in scholarships have been awarded in recent years. CTCI Foundation will uphold the goal of "cultivating scientific and technological talents" and, in order to make greater contributions to the sustainable development of Taiwan.

II. Description

1. Scholarships granting

- (1) Research Performance Scholarship of CTCI Foundation Science and Technology Scholarship: The total number of recipients will be 15-30. Each recipient will be awarded NTD 150,000 and a Certificate of Merit.
- (2) Innovation Scholarship of CTCI Foundation Science and Technology Scholarship: There are a total of 15 winning teams (or individuals). The award prize is NTD 150,000 and a Certificate of Merit. (The leader of the winning team has the rights for bonus allocation.)
- (3) Research Scholarship for International Graduate Students of CTCI Foundation Science and Technology Scholarship: The total number of

recipients will be 15-25. Each recipient will be awarded NTD 150,000 and a Certificate of Merit.

- (4) Financial Aid for International Graduate Students of CTCI Foundation Science and Technology Scholarship: The total number of recipients will be 10-20. Each recipient will be awarded NTD 100,000.

2. Eligibility

- (1) Research Scholarship of CTCI Foundation Science and Technology Scholarship:

Graduate students currently enrolled in the doctoral courses (second year or above); 8 universities (National Taiwan University, National Tsing-Hua University, National Cheng-Kung University, National Yang Ming Chiao Tung University, National Taiwan Normal University, National Central University, National Taiwan University of Science and Technology, National Taipei University of Technology); 104 designated departments of science and engineering related fields are eligible to apply.

- (2) Innovation Scholarship of CTCI Foundation Science and Technology Scholarship:

Students from the third-year (or above) and master's classes of universities/colleges approved by the Ministry of Education can apply individually or in groups. Team members may come from different departments but not from different schools.

- (3) Research Scholarship for International Graduate Students of CTCI Foundation Science and Technology Scholarship:

Oversea Graduate students currently enrolled in master or doctoral courses; 8 universities (National Taiwan University, National Tsing-Hua University, National Cheng-Kung University, National Yang Ming Chiao Tung

University, National Taiwan Normal University, National Central University, National Taiwan University of Science and Technology, National Taipei University of Technology); 104 designated departments of science and engineering related fields are eligible to apply.

- (4) Financial Aid for International Graduate Students of CTCI Foundation Science and Technology Scholarship:

Oversea Graduate students currently enrolled in master or doctoral courses; 8 universities (National Taiwan University, National Tsing-Hua University, National Cheng-Kung University, National Yang Ming Chiao Tung University, National Taiwan Normal University, National Central University, National Taiwan University of Science and Technology, National Taipei University of Technology); 104 designated departments of science and engineering related fields are eligible to apply.

III. Application

Application period is from July 1, 2021 to September 15, 2021.

IV. Review process

The review process will be conducted by the "Scholarship Review Panel" of CTCI Foundation.

V. Award

We will host the scholarships award ceremony in December, 2021.

VI. Others

For relevant procedures and rules, please refer to "CTCI Foundation Science and Technology Scholarships Application Regulations".
