

# 陳芳燦 講座

2023.7  
邀請演講

## Fan-Tsan Chen Lectureship

### Professor Jerry Y.S. Lin

- Regents Professor, School of Engineering for Matter, Transport and Energy, Arizona State University
- Co-Editor-in-Chief, Journal of Membrane Science and JMS Letters
- AIChE Clarence (Larry) G. Gerhold Award
- AIChE Institute Award for Excellence in Industrial Gases Technology
- Fellow, American Institute of Chemical Engineers (AIChE)
- Fellow, American Association for Advancement of Science (AAAS)
- Fellow, North American Membrane Society (NAMS)

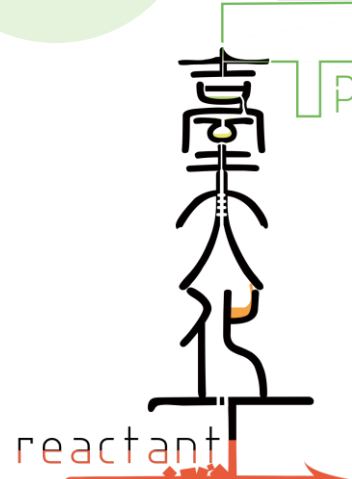

Date/Time	Topic	Location
7/6 Thursday 9:30-10:00	<b>Carbon-Dioxide Permselective Membrane Reactors for Electric Power Generation with Carbon Capture</b> (in combination with Annual Meeting of the Taiwan Filtration and Separations Society)	臺灣大學化工二館 (鄭江樓北棟) 信義講堂 Shin-Yi Lecture Hall, Tseng Jiang Hall, Dept. of Chemical Engineering, NTU
7/7 Friday 15:30-17:00	<b>Intermediate Pore Zeolite Membranes for Molecular Separation and Energy Storage</b>	

捐贈單位

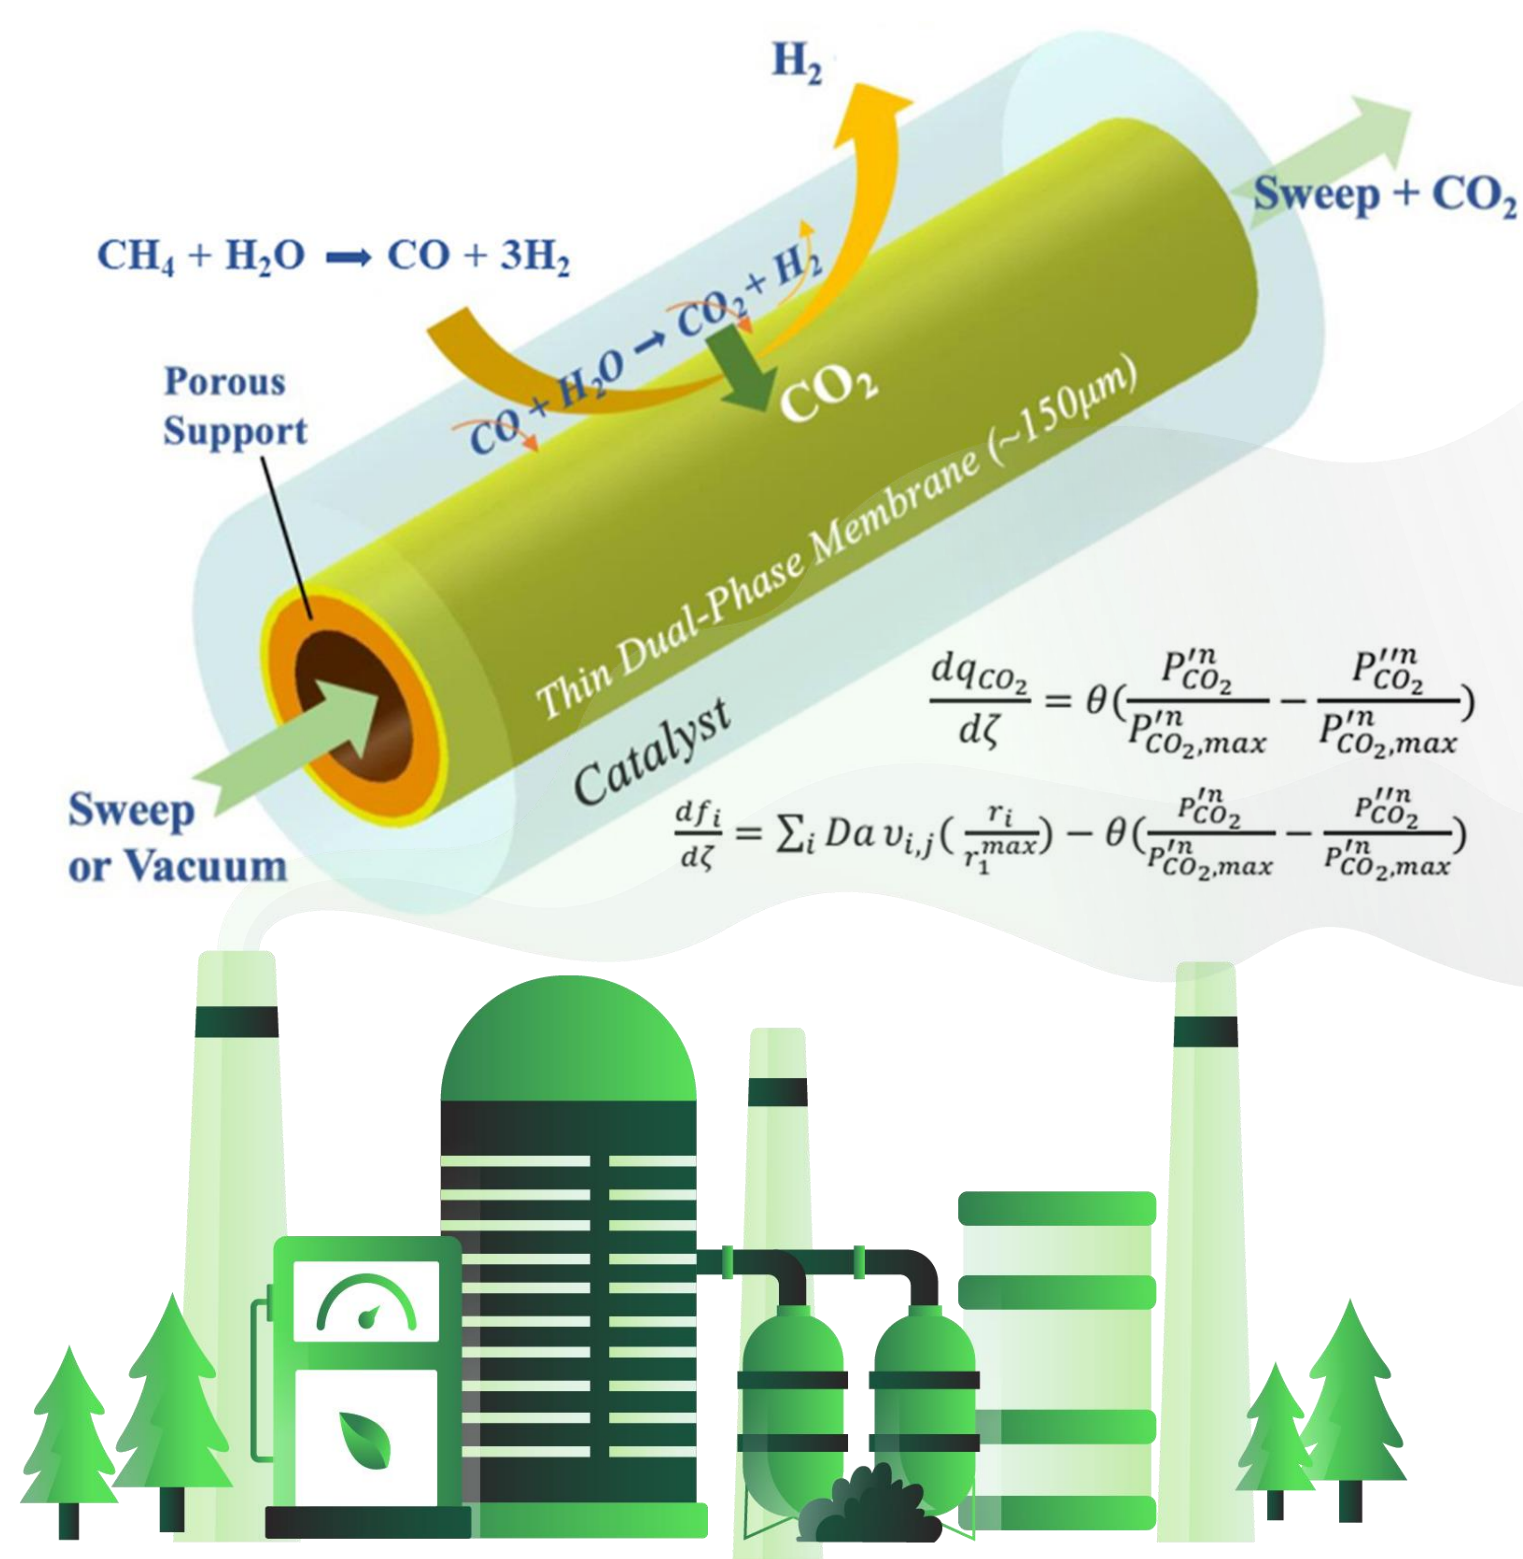

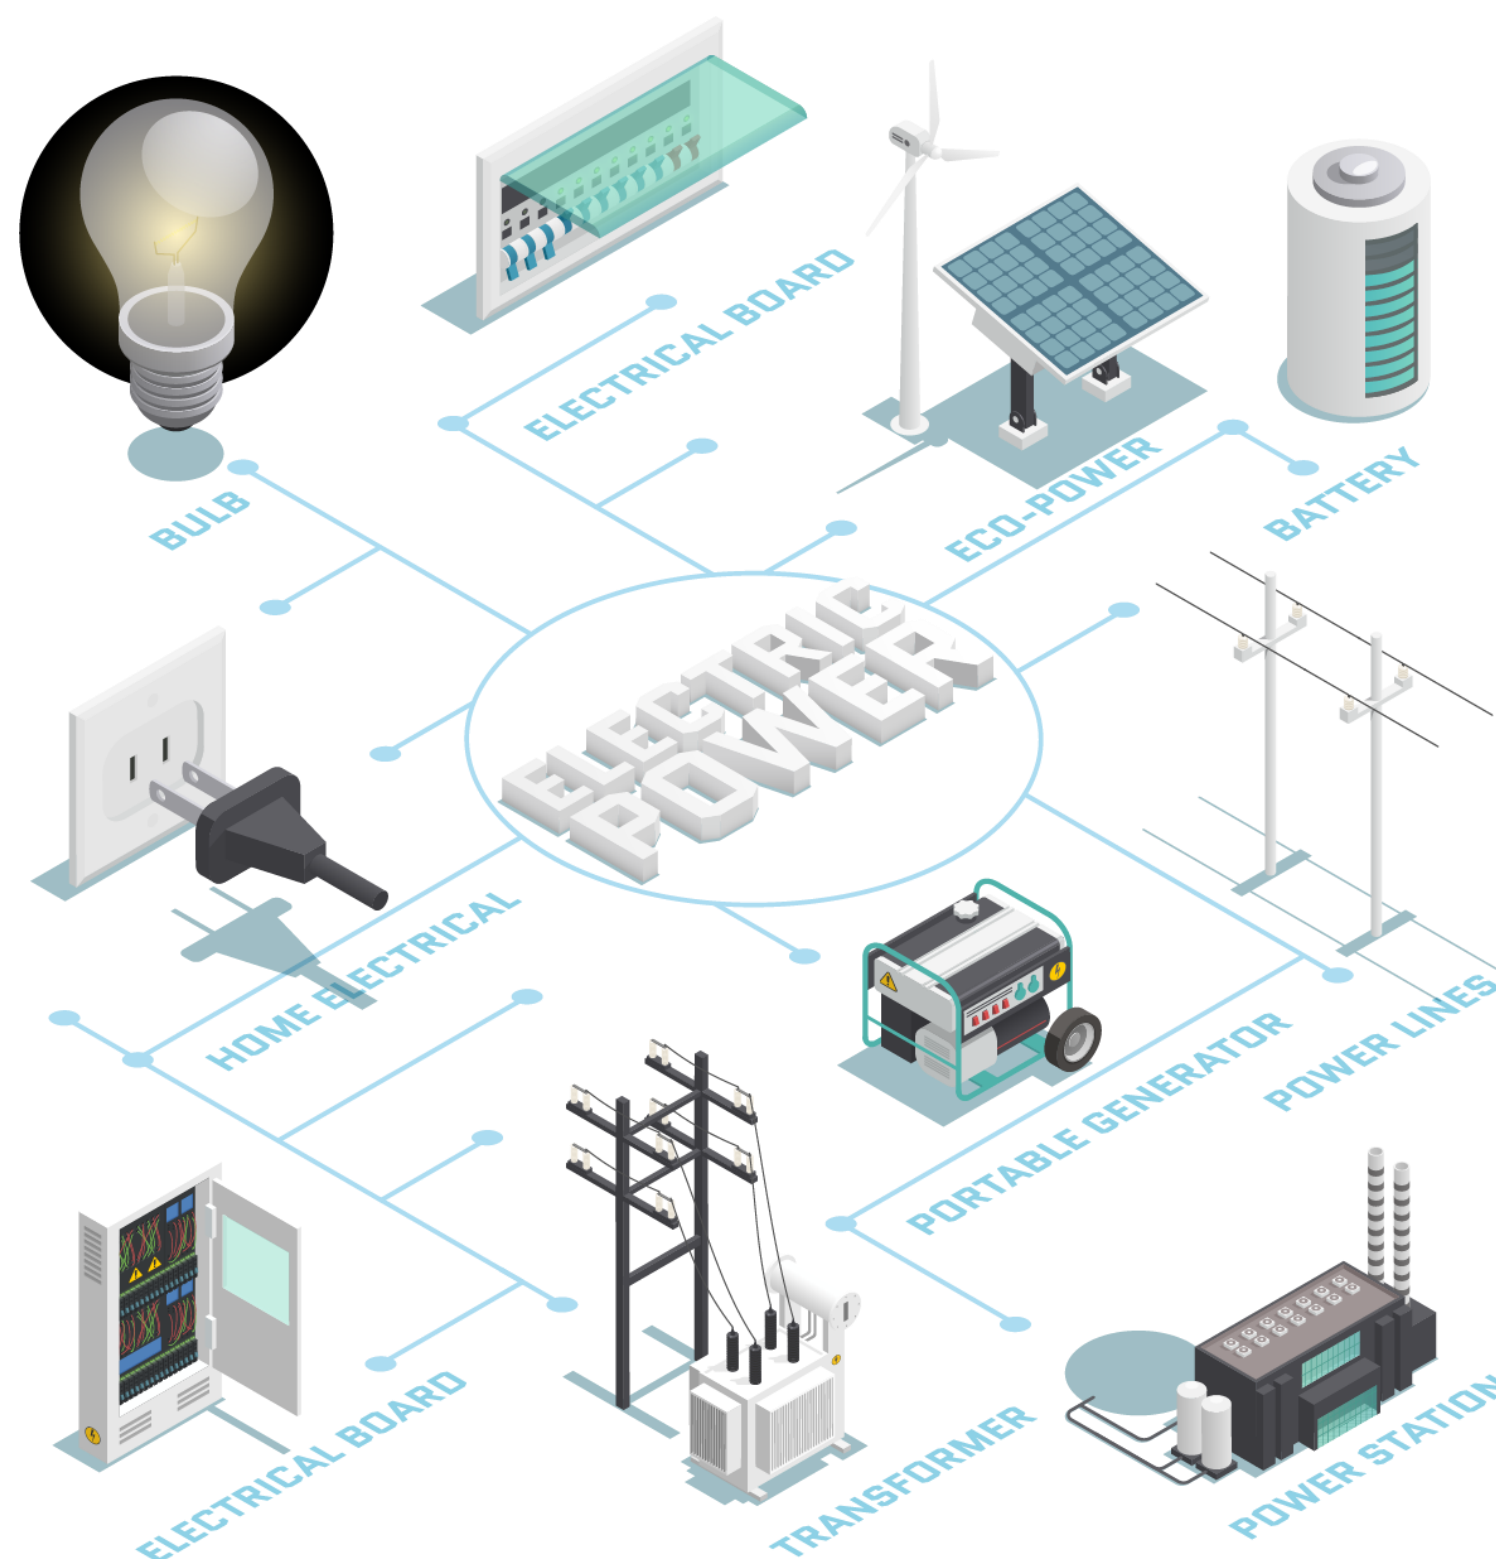

義芳化學工業股份有限公司  
Yee Fong Chemical & Industrial Co., Ltd

主辦單位

國立臺灣大學化學系  
Department of Chemistry
